Adding a Banner to Your MY PVI Portfolio in Google Sites

- 1. Open Google Drive on the Web.
- 2. Select the **Google Apps Launcher** in the upper right hand corner of the screen. Select **Sites**. If Sites doesn't appear in the list of choice you may have to select **More** to find Sites.

- 3. Select the MYPVI site.
- 4. Insert your My PVI Banner by selecting the **wheel**.

5. Select **Edit site layout** toward the bottom of the drop down menu.

6. Select **Header** from the menu bar to ensure it is displayed. Hover your pointer over the Header area and select the **Header** area to Configure site header.

7. Select **Custom Logo.** Select **Choose File** box and navigate to the location of your banner.

Height	Alignment		
Use theme default value	Vertical: theme default		
Use logo size	Horizontal: Standard		
Select Logo:			
No Logo	Oomain Default Logo (No logo)		
Custom Logo			
Attach a file: Choose File No file chosen			

- 8. Select your banner. Select Open.
- 9. When your banner has finished uploading, select **OK**.
- 10. Select **Close** in the upper right hand corner.

11. To remove the search box and site title so only your banner is showing, select the **wheel**. From the drop down menu select **Manage Site**.

12. Uncheck the box labled **Show site name at top of page.**

13. Scroll down and select the box labeled **Configure search**

Apps Scripts	Enable and configure search options - Learn more
